

Abe and Mawruss
Montague Glass

Montague Glass was a lawyer who eventually abandoned the practice of law to write full time. He wrote a series of stories in the New York Post about a pair of popular characters in the predominantly Jewish garment trade. Many of the plots were derived from trade problems he saw as a lawyer. This is the second book of the collected stories; his Potash and Perlmutter stories were also made into stage plays and even movies that were very popular in their time. - Summary by ToddH

Read by realisticspeakers. Total running time: 8:30:51
